

HAZELWOOD V KUHLMEIER: DISCUSSION HANDOUT

PYB EDUCATIONAL SERIES

Directions: After watching the “Hazelwood V Kuhlmeier - Firsthand Account” video and receiving the .pdf, answer the following questions with your small group.

1. According to Hazelwood V Kuhlmeier, school-sponsored publications can be open to censorship. What 3 criteria determine if a publication is school sponsored?

2. If a publication is school-sponsored, what conditions must occur in the article or spread for the admin. to be able to censor?

3. Besides yearbooks and newspapers, what other forms of student media and expression could be censored?

4. If you were a school administrator, under what circumstances would you choose to censor a form of student expression? What are the positive outcomes of censorship? What are the negative outcomes?
